About the University

Avinashilingam Institute for Home Science and Higher Education for Women, established by the great patriot and philanthropist Dr. T.S. Avinashilingam Ayya Avargal in the year 1957, aims to provide education at par with global standards for women candidates. The University persistently seeks and adopts innovative ideas of teaching on a consistent basis. Currently, it is under the dynamic leadership of Padma Shri. Dr. P. R. Krishna Kumar, Chancellor and Dr. Premavathy Vijayan, Vice Chancellor of this esteemed University. Its constant drive in imparting higher education through excellent infrastructure, faculty credentials and higher academic standards, has acquired this institution Grade 'A' in NAAC. The University has signed MoUs with various reputed industries and institutions in India and abroad for the benefit of the student community. Presently, about 50 research projects in different disciplines, funded by various Government funding agencies are in progress. The institute has collaborative research activities with Korean Universities, Ohio State University and University of Latvia.

Faculty of Engineering

The Faculty of Engineering was started in the year 1996 with the approval of AICTE. The campus is spread over an area of 100 acres and is situated 6 kms off Mettupalayam Road at Thudiyalur. The campus is well developed with excellent infrastructure for classrooms, laboratories, library, hostel, on-campus medical & banking facilities, transportation, telecom, stationery, cafeteria, 24 hours internet facility and Wi-Fi connectivity.

Department of Science and Humanities

The Department of Science and Humanities was established in 1996. It acts as a bridge between Science and Engineering by incorporating the latest concepts of Mathematics, Physics, Chemistry and Language skills. The Department serves with a focus on the vision of the institute in striving for excellence to meet the global demands for future needs.

Objective of the Seminar

This seminar will provide a platform to the students, young investigators and faculties to interact and share their insights in cancer research with eminent scientists from all over the India. This seminar proposes to elaborate on the theme of cancer issues and how technological approaches and natural medicine could lead to the creation of cancer free World.
