About the University

Avinashilingam Institute for Home Science and Higher Education for Women, established by the great patriot and philanthropist Dr. T.S. Avinashilingam Ayya Avargal in the year 1957, aims to provide education at par with global standards for women candidates. The University persistently seeks and adopts innovative ideas of teaching on a consistent basis. Currently, it is under the dynamic leadership of Padma Shri. Dr. P. R. Krishna Kumar, Chancellor and Dr. Premavathy Vijayan, Vice Chancellor of this esteemed University. Its constant drive in imparting higher education through excellent infrastructure, faculty credentials and higher academic standards, has acquired this institution Grade 'A' in NAAC. The University has signed MoUs with various reputed industries and institutions in India and abroad for the benefit of the student community. Presently, about 50 research projects in different disciplines, funded by various Government funding agencies are in progress. The institute has collaborative research activities with Korean Universities, Ohio State University and University of Latvia.

Faculty of Engineering

The Faculty of Engineering was started in the year 1996 with the approval of AICTE. The campus is spread over an area of 100 acres and is situated 6 km off Mettupalayam Road at Thudiyalur. The campus is well developed with excellent infrastructure for classrooms, laboratories, library, hostel, on-campus medical & banking facilities, transportation, telecom, stationery, cafeteria, 24 hours facility and Wi-fi connectivity.

About The Department

The Department of Science and Humanities was established in 1996. It acts as a bridge between Science and Engineering by incorporating the latest concepts of Mathematics, Physics, Chemistry and Language skills. The Department serves with a focus on the vision of the institute in striving for excellence to meet the global demands for future needs.

About the Conference

Corrosion is a natural phenomenon that permeates every aspect of our society. Corrosion presents a real threat to the integrity of personal property as well as that of public infrastructures important to our economic, environmental and national security. This conference will provide a platform for discussing economically viable and innovative strategies to mitigate the ravages of corrosion damages.

Area of Focus

- Corrosion in chemical and petrochemical industries and refineries.
- Corrosion issues of biofuels.
- Internal corrosion of pipeline
- Marine and offshore corrosion
- Microbiologically influenced corrosion
- Corrosion in concrete
- Power industry corrosion
- Corrosion monitoring and testing
- Cathodic protection
- Coatings and linings
- Materials and composites
- Corrosion of biomedical materials and devices

Submission of Abstract and full papers

The paper must be original and unpublished research work. Authors are invited to submit their abstract not exceeding 300 words. The name of the presenting author should be underlined. Abstracts and text of the paper should be prepared using MS word in Times New Roman 12 font size, 1.5 line spacing and sent to mcc2017@gmail.com.

Full paper will be published in the Proceedings of the National Conference MCC 2017 with ISBN number.

One Day National Conference on Meeting the Challenges of Corrosion (MCC -2017) 21st July 2017
